Dome Theater [Planetarium]

A cutting-edge optical projector and a high-resolution (8K equivalent) digital projector produce true-to-life images that recreate the starry sky incredibly close to how it appears naturally.

The Dome Theater has an environment that allows for comfortable viewing:
the dome measuring 25 meters in diameter and the 220 seats are arranged spaciouly.

Science Hall

Equipped with stage, sound and lighting equipment, as well as a 4K projector system, this 300-seat hall can be used to hold various events, including lectures, seminars, and theatrical performances.
